## Rossi Revolvers

### A CENTURY OF QUALITY AND RELIABILITY

These handguns are built to the same quality and reliability standards that have been part of the Rossi name for more than 100 years. All Rossi revolvers feature deep, contoured finger grooves in the grip for a solid grasp and maximum shooting comfort. Rossi revolvers are machined from forged steel and will routinely fire powerful .38 Special +P, or hard-hitting .357 Magnum rounds for the lifetime of your revolver.

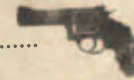

### .357 Magnum

In .357 Magnum, Rossi has two long barrel offerings – Model 971, a Blue Steel 4-inch barrel and Model 972, featuring a Stainless Steel 6-inch barrel. Rossi also offers two short barrel .357s—the Model 461 Blue Steel and the Model 462 Stainless Steel with two-inch barrels. While they are built extra tough to handle all .357 Magnum cartridges, they will fire the popular .38 Special +P rounds as well.

### .38 Special +P

In .38 Special +P, Rossi offers the Model 851 with a 4-inch vented barrel and 6-round capacity. Rossi also offers two small frame, 5-shot revolvers chambered in .38 Special +P: the Model 351 in Blue Steel and the Model 352 in Stainless Steel. Two-inch barrels make them favorites for concealed carry and home defense.
